Agenda

- 🌐 Welcome and Introduction
- 🌐 DestinE Community Insights
- 🌐 Spectrum Session
- 🌐 Community Pulse

DestinE Use Cases Project (DEUC)

(1/2)

- Develop and implement a set of Use Cases to showcase the overall value of Destination Earth, with a focus on the DestinE Platform's ability to provide actionable insights and decision support for end-users.

STARION

ARISTOTLE
UNIVERSITY
OF THESSALONIKI

Check out the Use Cases here:

DestinE Community: Key Statistics

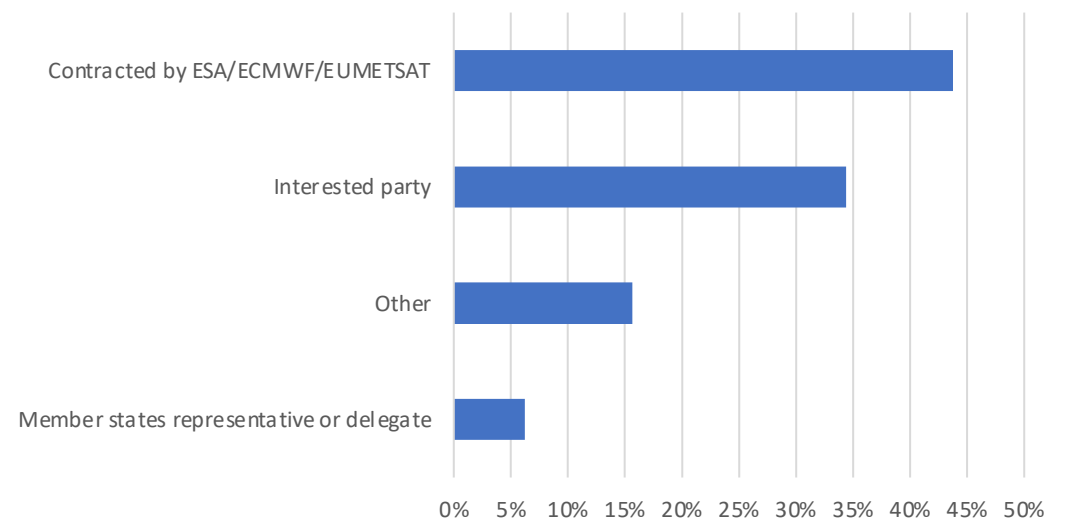

Community Members Insights

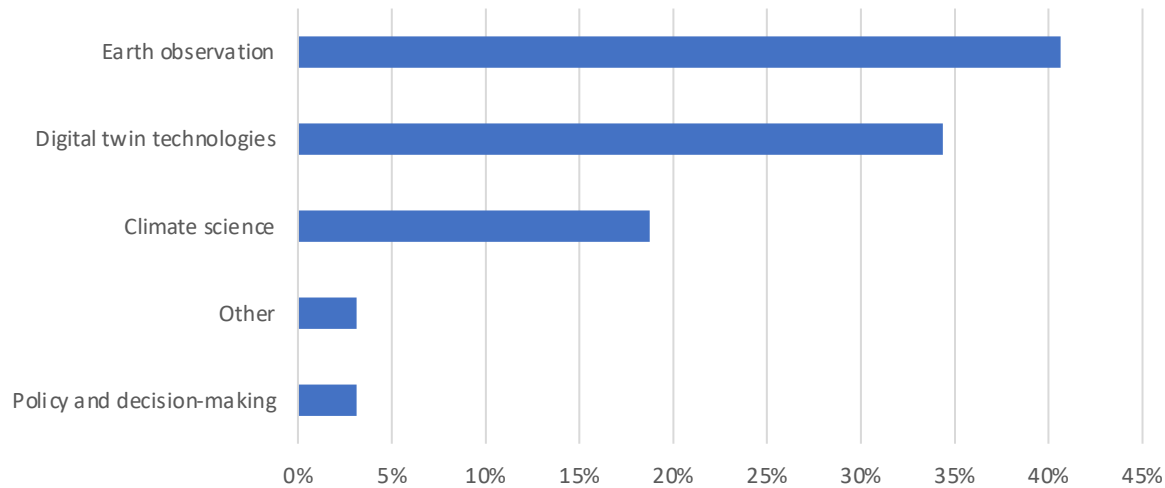

How would you identify yourself

Involvement with DestinE

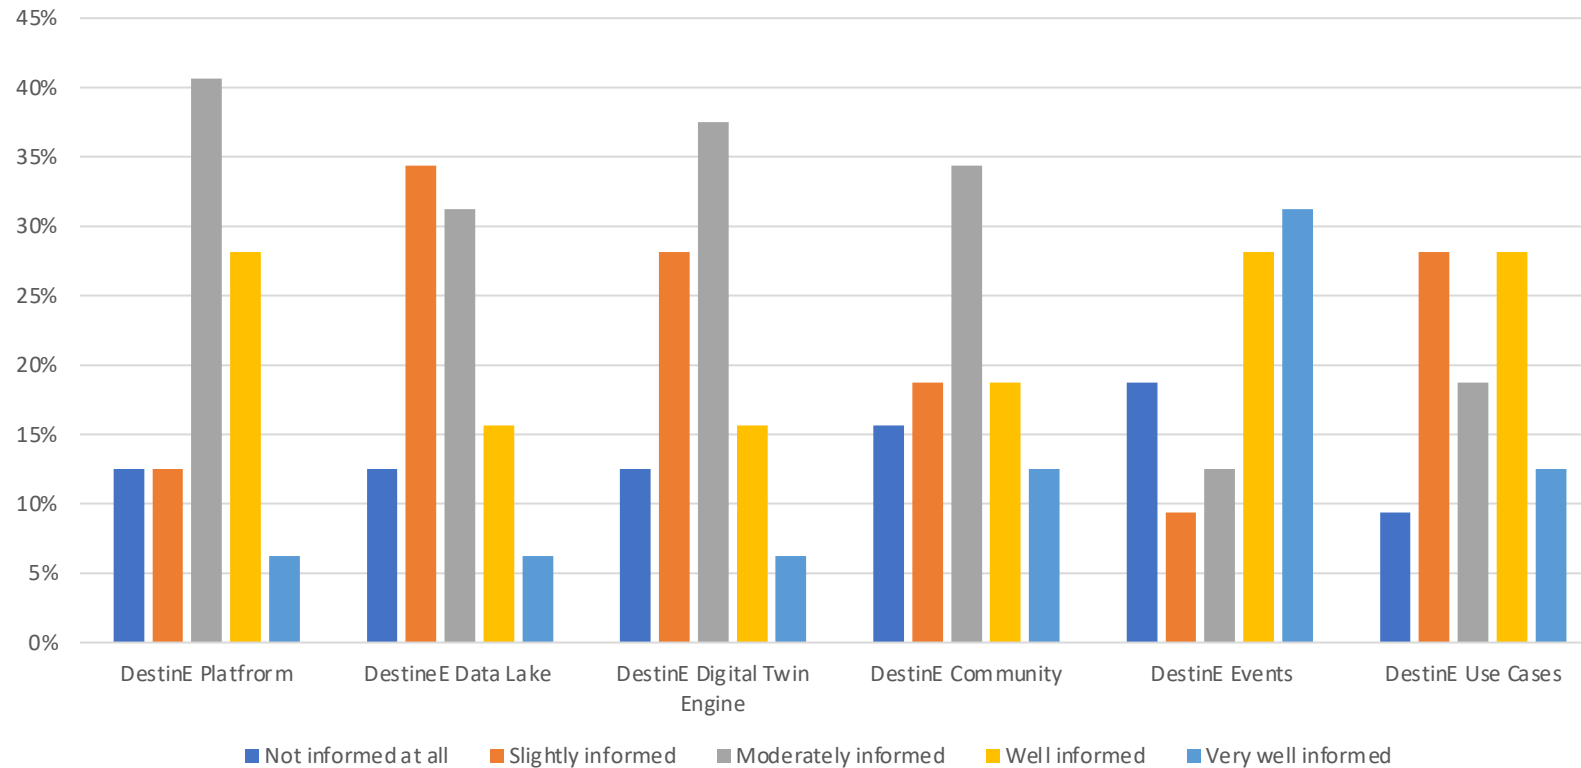

Which field best describes your primary area of focus?

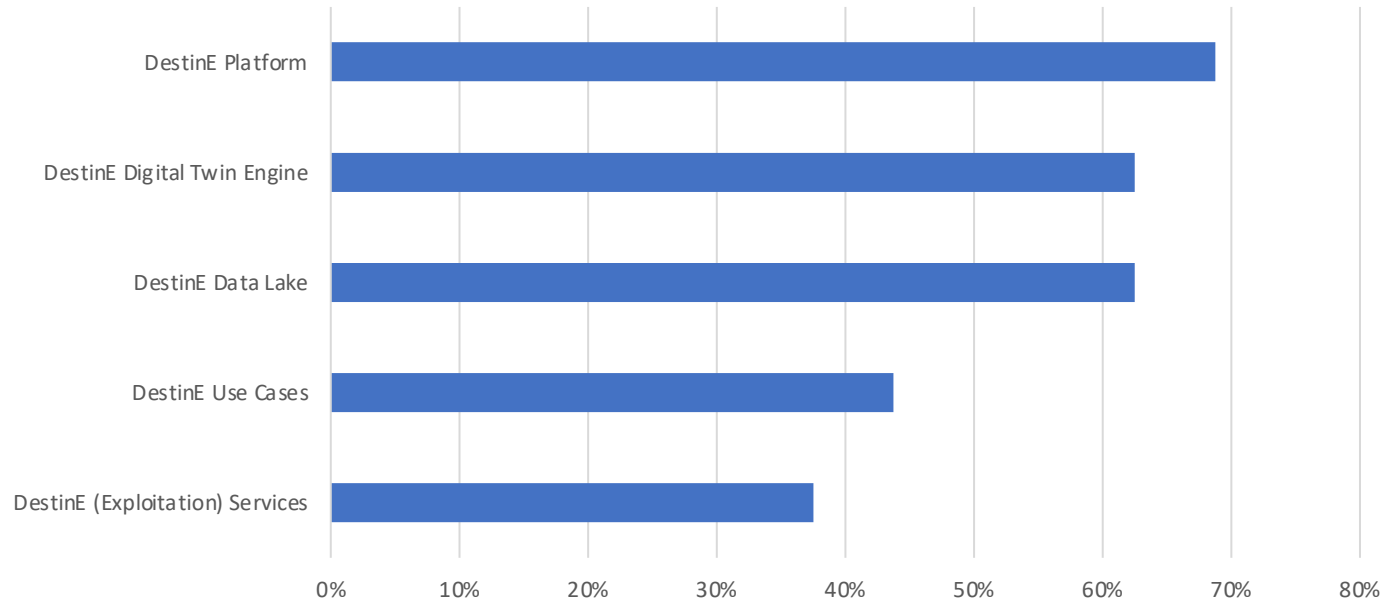

Community Members Insights

How well-informed do you feel about

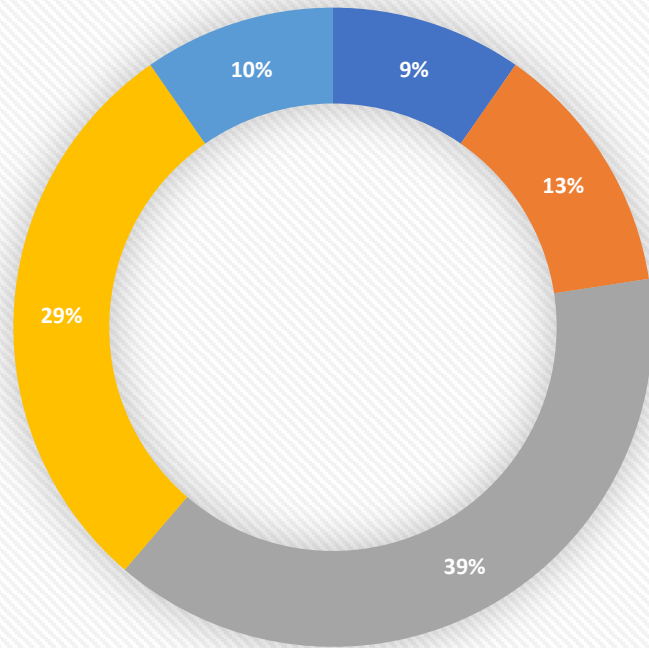

Community Members Insights

Which DestinE tools or services are you most interested in?

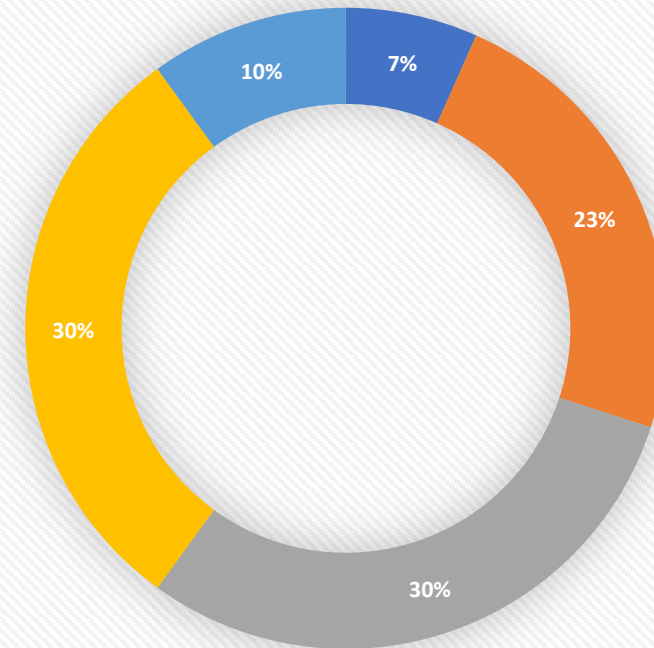

Community Members Insights

Accessibility to information about DestinE tools and services

■ Very Difficult ■ Difficult ■ Moderately Difficult ■ Easy ■ Very Easy

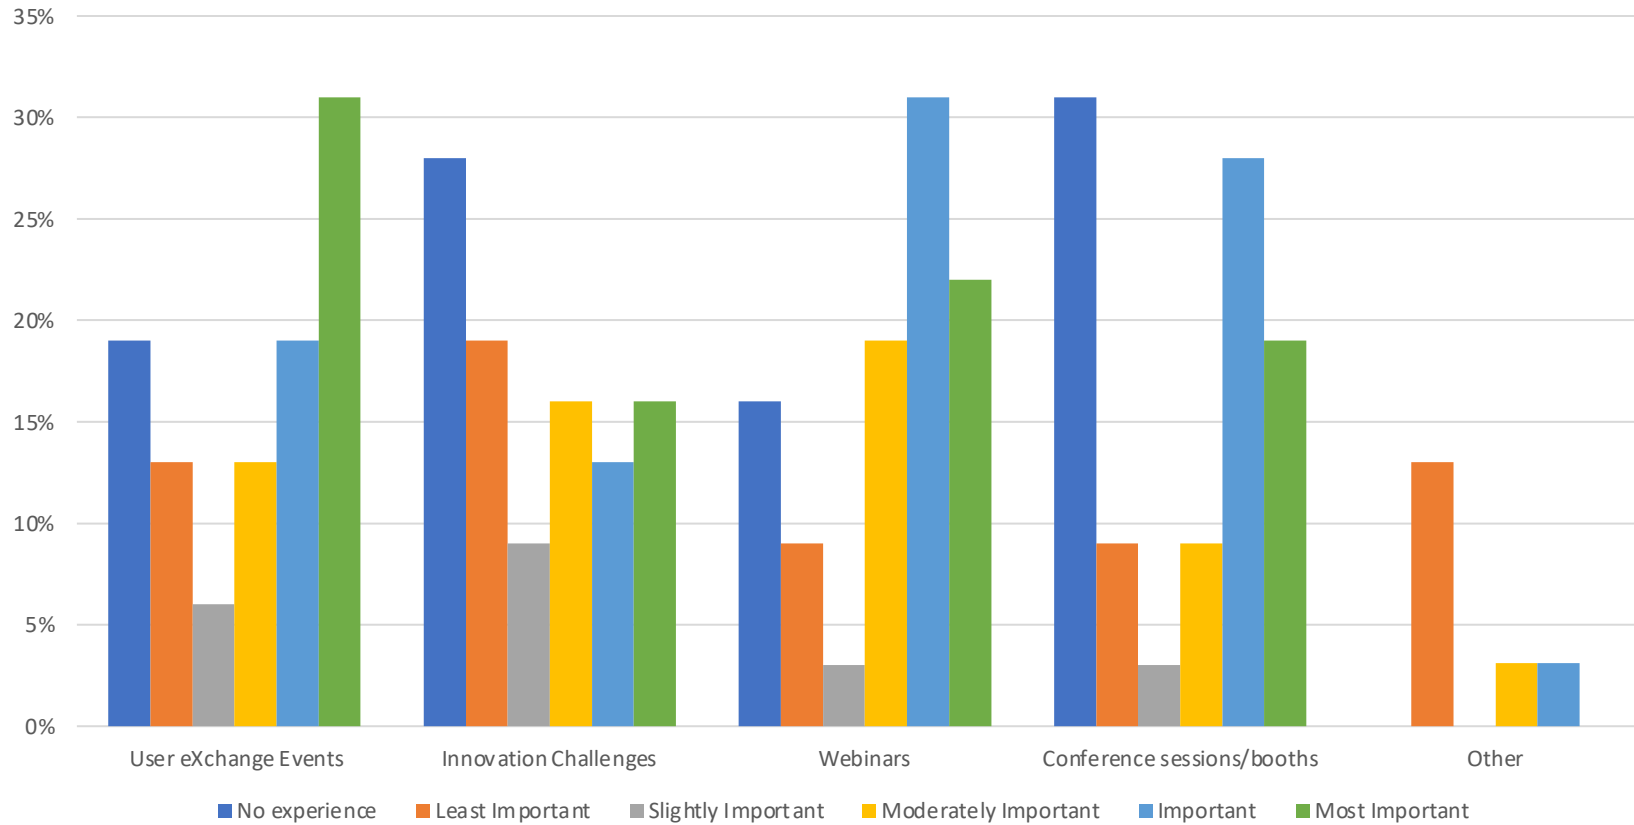

Quality of information about DestinE tools and services

■ Very Poor ■ Poor ■ Average ■ Good ■ Excellent

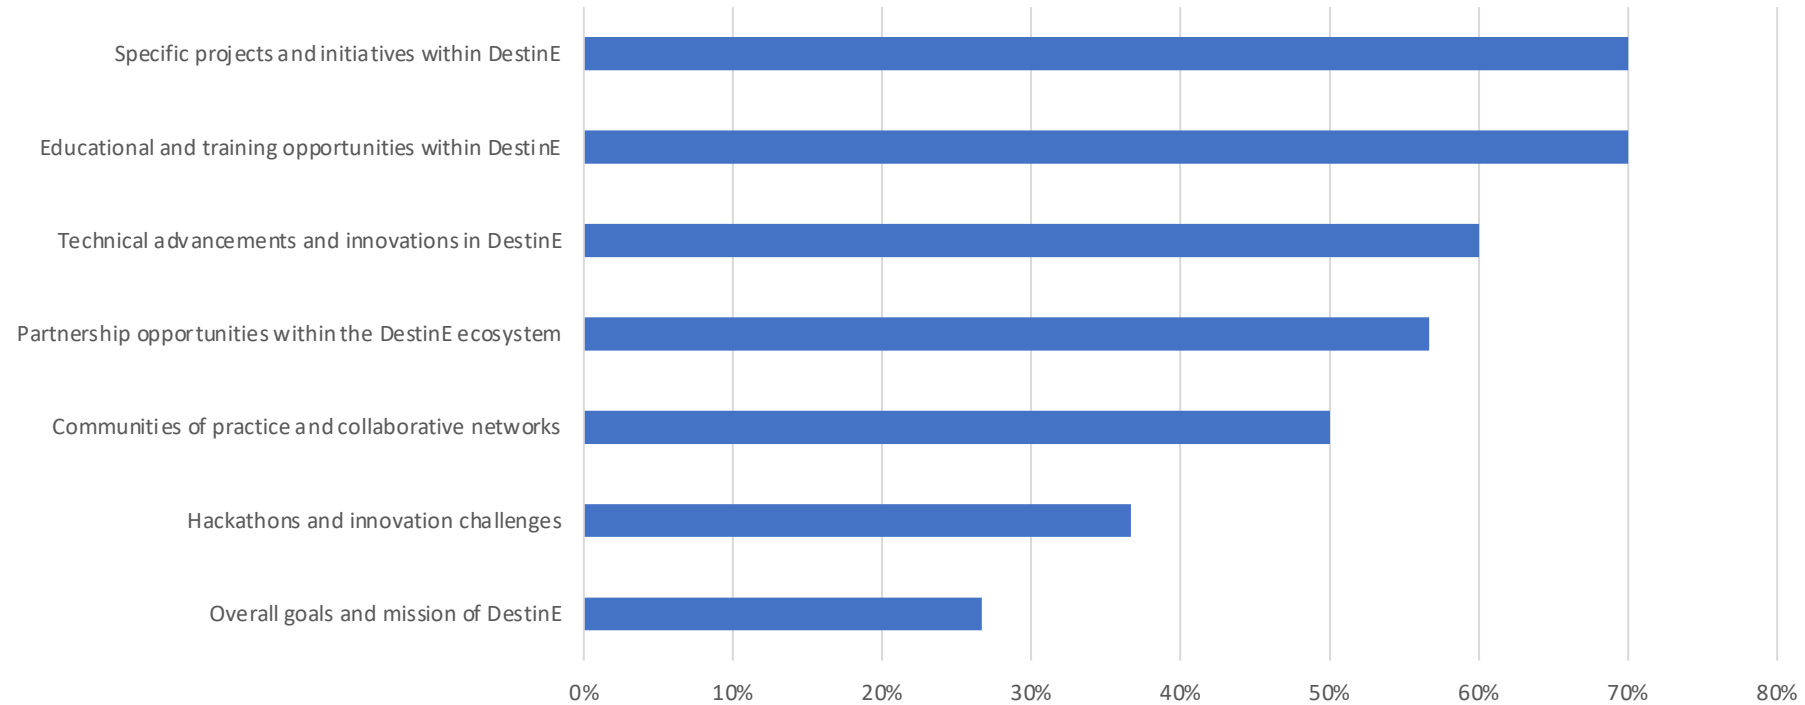

Community Members Insights

Perceived benefit of activities and events

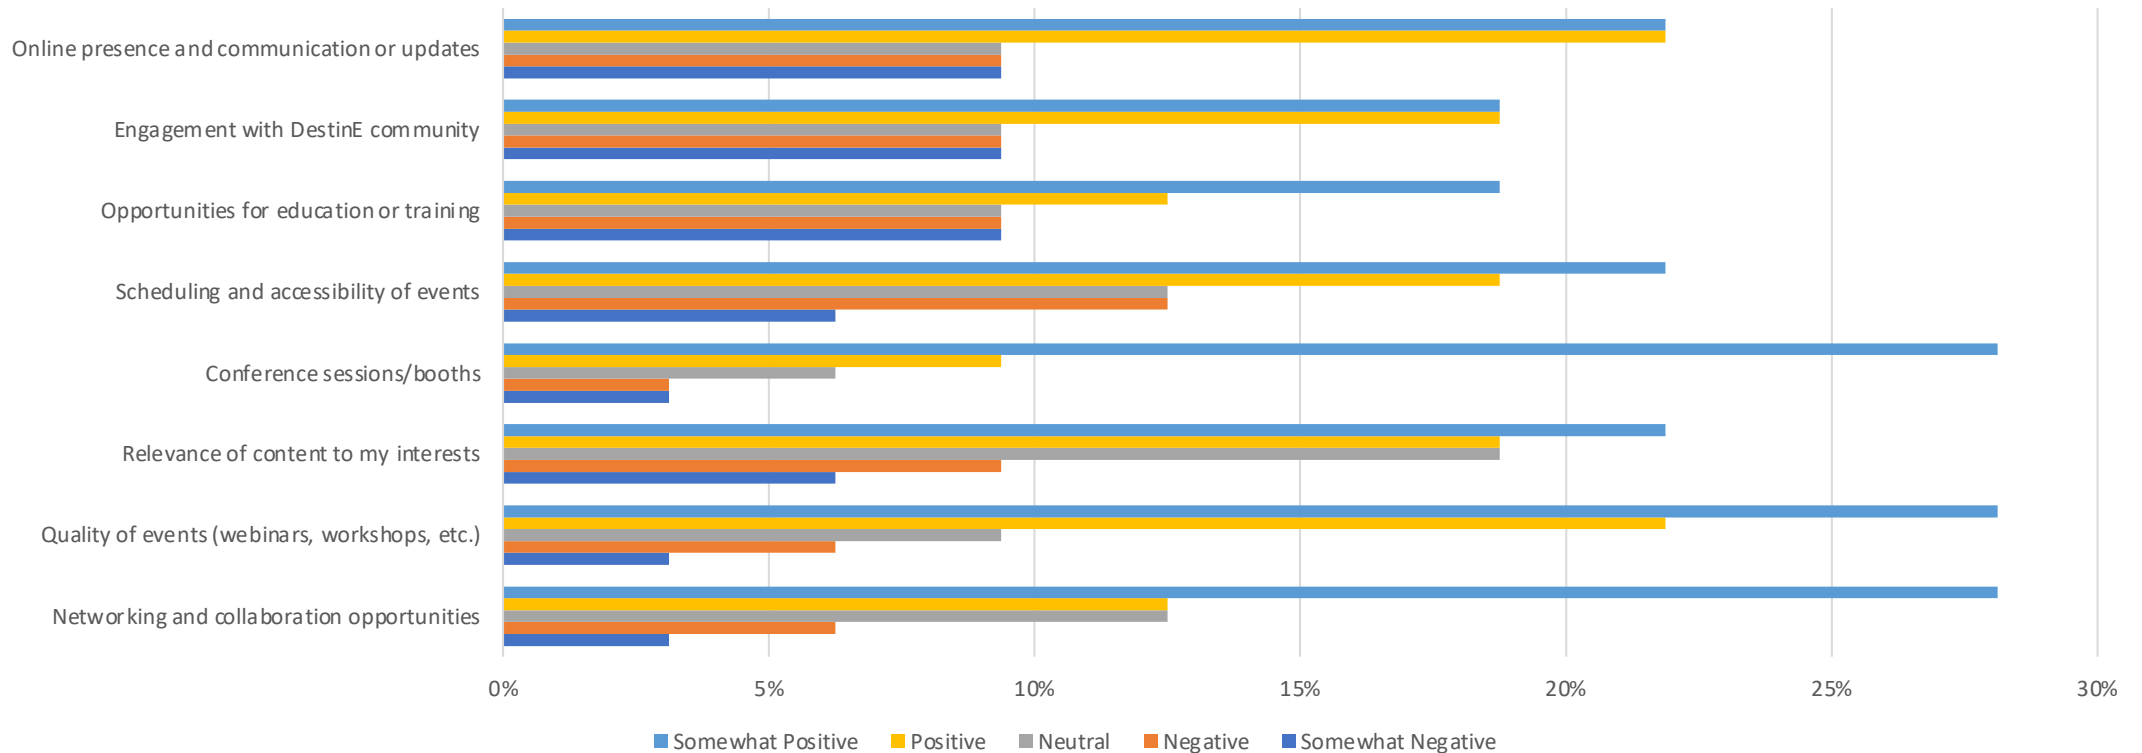

Community Members Insights

Which topics would you like to see more in future DestinE events?

Community Members Insights

Rate the following aspects of your experience within DestinE community

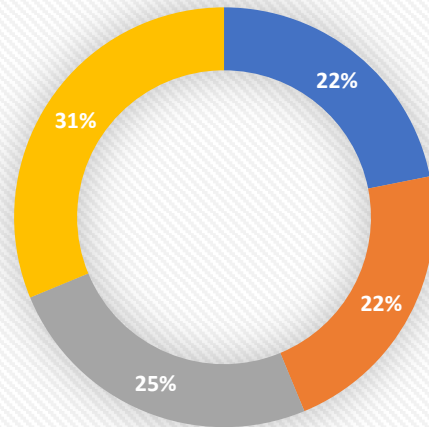

Community Members Insights

What motivates you to participate in the DestinE community?

Community Members Insights

How would you describe your level of participation in DestinE so far?

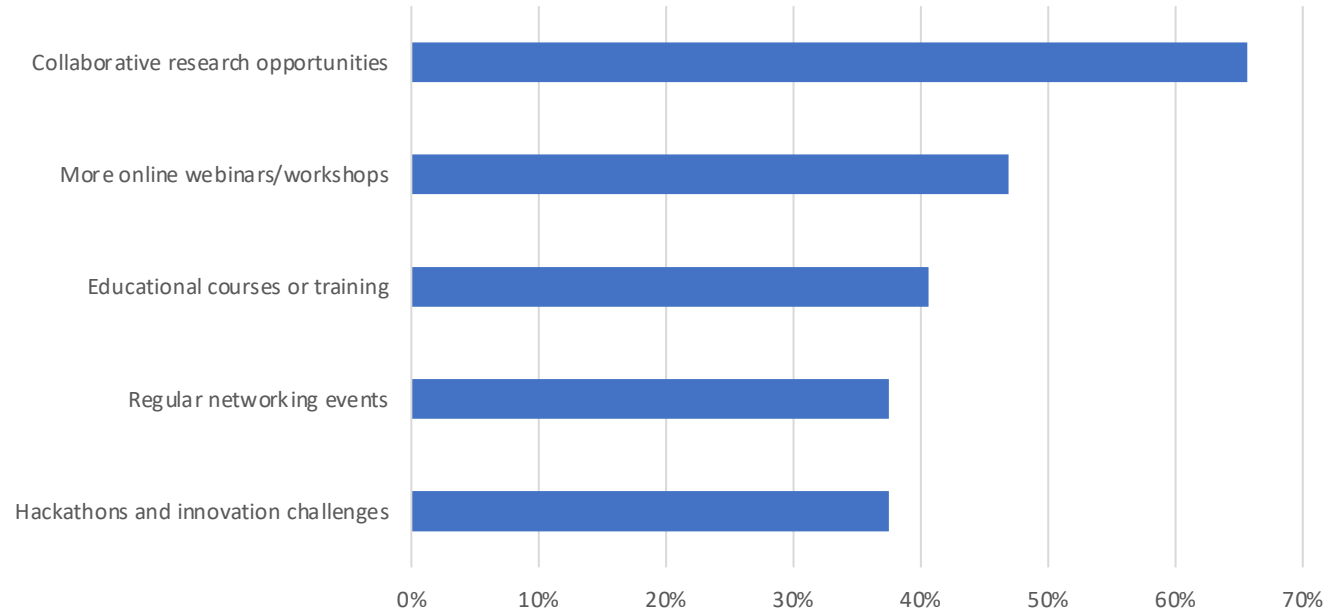

■ Highly active ■ Not actively ■ Moderately active ■ Minimally active

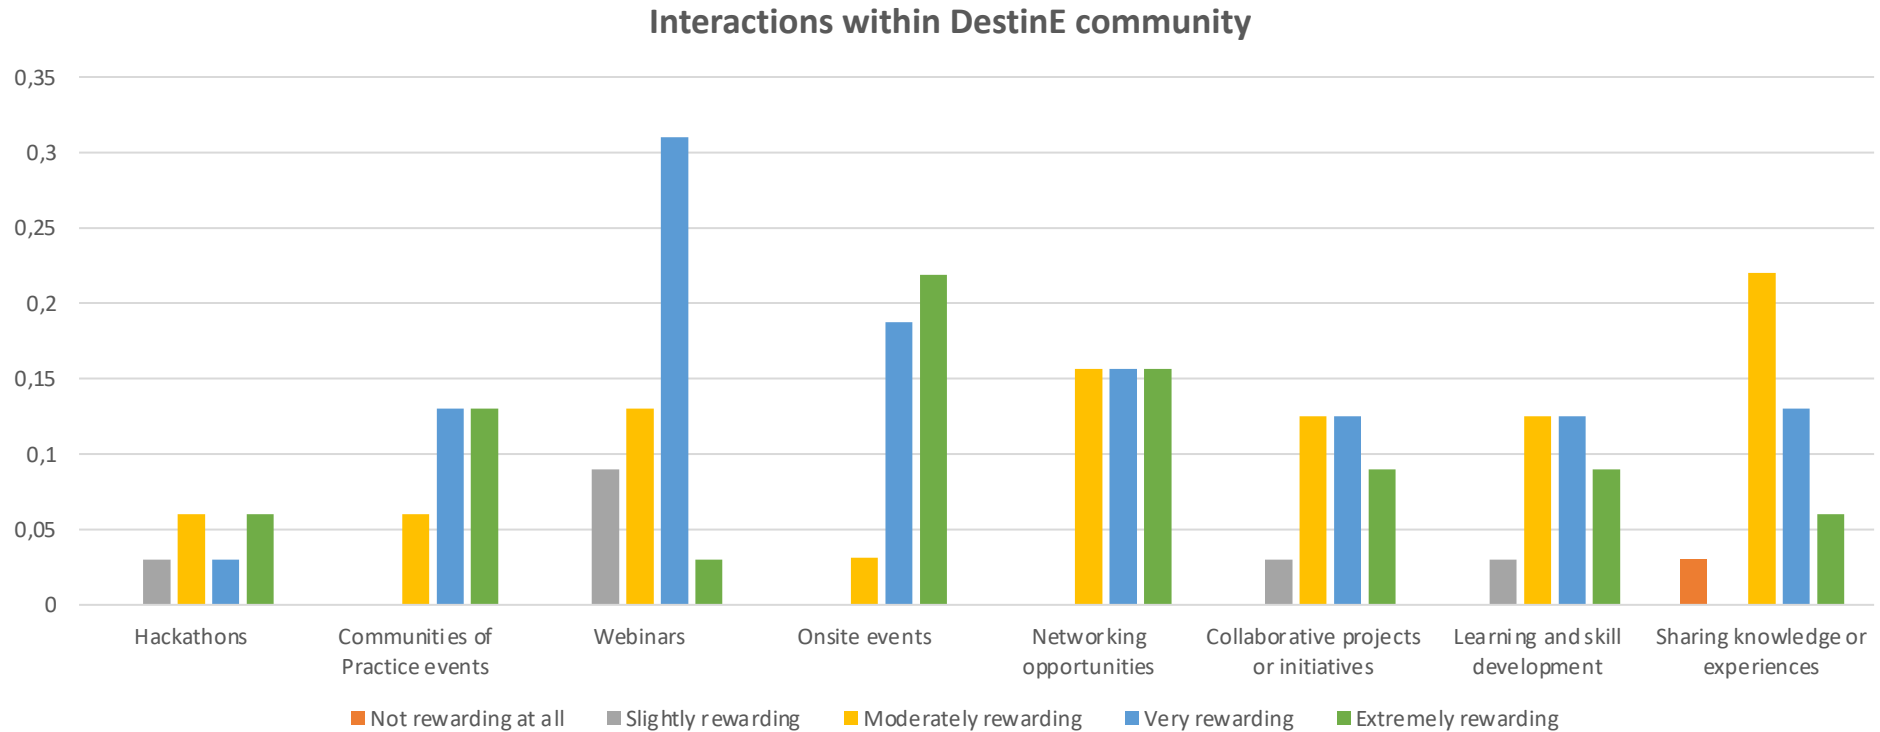

- Highly active (contributing to discussions, attending events regularly, participating in collaborative projects)
- Not actively participating (interested, but not engaged yet)
- Moderately active (attending some events, following updates, occasional collaboration)
- Minimally active (mostly following updates, limited event attendance)

Community Members Insights

How would you prefer to engage with DestinE in the future?

Community Members Insights
